Personal information

First name(s) / Surname(s) *Cesare Berneri*
Address(es) *BRESCIA – ITALY c/o ISTITUTO ZOOPROFILATTICO SPERIMENTALE DELLA LOMBARDIA E DELL'EMILIA ROMAGNA (I.Z.S.L.E.R.) – Via A. Bianchi, 9 - BRESCIA - ITALY*
Telephone(s) *39 030 2290531 (office)* Mobile: //
Fax(es) *00 39 030 2290564 (office)*
E-mail *cesare.berneri@izsler.it (office)*
Nationality ITALIAN
Date of birth 28/08/1959
Gender Male

Work experience

Dates 12/1987 – 09/1991
Occupation or position held Bursary
Main activities and responsibilities

- Preparation of vaccines and other immunizing products (FMD, AUJESZKY and others);
- Evaluation of the impact of immune molecules of conventional and innovative preparations;
- large scale production of mammalian and bacterial cells.

Name and address of employer ISTITUTO ZOOPROFILATTICO SPERIMENTALE DELLA LOMBARDIA E DELL'EMILIA ROMAGNA (I.Z.S.L.E.R.) – Via A. Bianchi, 9 - BRESCIA - ITALY
Type of business or sector Production of biologicals
Dates 10/1991 – 02/2009
Occupation or position held Biology officer
Main activities and responsibilitiesMain duties:

- Same as in the period 12/1987 – 09/1991;
- Charged for a mission at the University of Siena, Department of Molecular Biology, Section of Microbiology, for the study and development of recombinant vaccines innovative (12/1991 – 12/1992)
- Responsible for the course on "Industrial Microbiology", then renamed "Applied Microbiology and Virology", at the Specialization School in Microbiology and Virology of the University of Siena (1994 – present);
- Responsible for the " Biosafety and GMO Service" (1996- 2009)
- Responsible for the laboratory and "Production of vaccines" (1997 – 2001)
- Responsible for the laboratory "Production of Culture media and reagents" (1997 – present)
- Responsible for teaching the degree course in Biotechnology at the University of Medicine and Surgery of Brescia, for the "Veterinary Biotechnology" (2004 – 2007)
- Responsible for the "Advisory for technical materials supply" (2004 – 2009)

Name and address of employer ISTITUTO ZOOPROFILATTICO SPERIMENTALE DELLA LOMBARDIA E DELL'EMILIA ROMAGNA (I.Z.S.L.E.R.) – Via A. Bianchi, 9 - BRESCIA - ITALY
Type of business or sector Production of biologicals

Basic Services for Biosafety-Biosecurity
 Basic Services for technical supply

Education and training

Dates 12/1987
 Title of qualification awarded Degree in Biology
 Name and type of organisation providing education and training Faculty of Biology, University of Parma, Italy

Social skills and competences

Good relational skills

Organisational skills and competences

Complete management of structures composed of about 20 people

Technical skills and competences

- Good knowledge of the process of "scaling up" of bacterial and animal cells in large volumes;
- Good knowledge of downstream processes;
- Good knowledge of technologies of filtration and sterilization (filtration, wet heat, dry heat, separation and innovative systems);
- Working knowledge of recombinant technology and mechanisms of gene exchange;

Computer skills and competences

Good owledge of Windows and key applications

Annexes

PUBLICATIONS

- Author and coauthor of 25 scientific publications in journals national (9) and international (16) in immunology, production and mechanisms of gene ezchange;
- Author and coauthor of 9 presentations (abstracts and poster) on the same topics.
