WORK EXPERIENCE

01/02/2000 – CURRENT – Rome, Italy

scientist

Istituto Superiore di Sanità

I am leading a research Unit. My main area of interest is the impact of infectious diseases of zoonotic importance on public health. On that account, I have been involved in an extensive activity concerning research, regulatory issues and consultancy.

2020 – CURRENT – Rome, Italy

Adjunct professor - module "Pet Infectious Diseases: From animals to humans (zoonoses)" (VET/05), in Biopathology and Introduction to Medical Therapy course, course of Medicine and Surgery (in english)

Università Cattolica del Sacro Cuore

2013 – 2016 – Rome, Italy

Head of the FAO Reference Centre for Veterinary Public Health located in the Department of Veterinary Public Health and Food Safety

Istituto Superiore di Sanità

I headed the reference centre, leading the strategy and managing the activities. The task of the centre was to give support to FAO in the remits of the zoonoses control programs in transition and developing countries

2008 – 2016 – Rome, Italy

Director of the unit Prophylaxis and Control of Bacterial Zoonoses, Department of Veterinary Public Health and Food Safety

Istituto Superiore di Sanità

I headed a unit composed by 4 scientists, 5 technicians and postdocs and students. I had the responsibility of the managing of the unit, the fund raising and supervising.

2015 – 2016 – Rome, Italy

Adjunct professor - module “Pet Infectious Diseases: From animals to humans (zoonoses)” (VET/05), in Biopathology and Introduction to Medical Therapy course, course of Medicine and Surgery (in english)

Università Cattolica del Sacro Cuore

2009 – CURRENT – Amsterdam, Netherlands

Editor in Chief

Elsevier Ltd

I am the editor in chief the research journal Research in Veterinary Science. I define the editorial strategy, I select the editorial board, I manage the submissions and decide which manuscripts deserve the publication.

21/08/2004 – 18/09/2004 – Bethesda, Maryland, United States

visiting scientist

National Institute of Health (NIH)

I joined as visiting scientist the Laboratory of Immunology at National Institute of Health (NIH) to collaborate in the development of a project dealing with the use of T regulatory cells versus infectious diseases.

01/03/2003 – 30/03/2003 – Beltsville, MD, United States

visiting scientist

Agricultural Research Service, United States Department of Agriculture

I joined the Immunology and Disease Resistance Laboratory, Agricultural Research Service, United States Department of Agriculture, Beltsville to collaborate in the development of a research project on mucosal immunology.

18/04/2001 – 30/07/2001 – Beltsville, Maryland, United States

visiting scientist

Agricultural Research Service, United States Department of Agriculture

I joined the Immunology and Disease Resistance Laboratory, Agricultural Research Service, United States Department of Agriculture, Beltsville to collaborate in the development of a research project on mucosal immunology.

10/1994 – 01/2000 – Perugia, Italy

Research staff

University of Perugia

I joined the Faculty of Veterinary Medicine, as technical assistant. I worked in the section of Parasitology of the department of Biopathology. I was involved in the research, teaching, diagnosis of parasitic diseases in place in the unit

01/08/1997 – 26/07/1998 – Beltsville, Maryland, United States

visiting scientist

Agricultural Research Service, United States Department of Agriculture

I joined the Immunology and Disease Resistance Laboratory, Agricultural Research Service, United States Department of Agriculture, Beltsville to collaborate in the development of a research project on mucosal immunology.

15/04/1996 – 16/08/1996 – Beltsville, Maryland, United States

visiting scientist

Agricultural Research Service, United States Department of Agriculture

I joined the Immunology and Disease Resistance Laboratory, Agricultural Research Service, United States Department of Agriculture, Beltsville to collaborate in the development of a research project on mucosal immunology.

06/1987 – 04/1988

Officer in the Italian Army

I joined the Italian Army as second lieutenant in the Artillery Corp. After my degree in Veterinary Medicine, I joined the Veterinary Corp

2018 – CURRENT

European Center for Disease Control - ECDC

Sweden
Operational contact point (brucellosis, epidemiology)

06/2016 – CURRENT

Committee for Medicinal Products for Veterinary Use (CVMP), European Medicines Agency (EMA), Amsterdam,

Amsterdam
Italian delegate

2016 – CURRENT

Committee for the regulatory issues of veterinary medicines - Italian Ministry of Health

Roma, Italy
Member of the committee and vice chair from 2019

2014 – 2018

scientific board - Istituto Zooprofilattico della Lombardia ed Emilia Romagna IZSLER

Brescia, Italy
member of the scientific board

DIGITAL SKILLS

good commands of Microsoft Office

PUBLICATIONS

● **Papers, monographies and book chapters**

See annex 1- publications

CONFERENCES AND SEMINARS

● **communication activities**

see annex 2 - seminars and speeches

● **TAIEX activities**

see annex 3 - invited expert in the TAIEX events

PROJECTS

● **expert in international cooperative projects**

See annex 4 - cooperative projects

● **research projects**

see annex 5 - research projects

2002 - CURRENT

● **Project evaluation**

project reviewing. Provide review for :

- Italian Ministry of Research (2002-2008)
- Istituto Zooprofilattico Sperimentale delle Venezie (from 2010 to 2018)
- Czech Science Foundation (year 2014)
- Cassa di Risparmio di Cuneo, Italy (year 2014)
- Science Foundation Ireland (www.sfi.ie) (year 2011)
- IUS France (2016)
- FAO (2017)
- European Commission DG Research. Marie Skłodowska-Curie actions (2019)
- European Commission DG Research. Horizon 2020 projects (2019)
- European Commission DG Research. Cost actions (2020)

SHORT TRAINING COURSES

02/04/2018

Animal Disease Emergencies - Understanding the Response

Center for Food Security and Public Health College of Veterinary Medicine Iowa State University, Ames IA 50011

18/05/2021 - 21/05/2021

Corso di formazione online in Analista Geopolitico (Online training course on geo-political analyst)

ASRIE Analytica www.asrie.org

02/06/2008

Advanced Security in the field. United Nations Department of Safety and Security

30/05/2008

Basic Security in the field - Staff Safety, Health, and Welfare. United Nations Department of Safety and Security

15/02/2011

Basic Security in the field - Staff Safety, Health, and Welfare. United Nations Department of Safety and Security

AWARDS AND ACCOMPLISHMENTS

Enrolled in the list of the Top Italian Scientists (<http://www.topitalianscientists.org>)

ANNEX

Annexes

Annex 1 - Publications

Annex 2 - Seminars and speeches

Annex 3 - Invited Expert in TAIEX events

Annex 4 - Cooperative projects

Annex 5 - Research projects

Annex 6 - Metrics overview

Annexes 7-20 letters of reference
