WORK EXPERIENCE

2017 (Feb) to present **2017-to present Full Professor in Animal Nutrition and Feeding**
University of Milan, via Festa del Perdono 31, 20100 Milan Italy
Main activities and responsibilities: Research and teaching
Sector animal nutrition and feeding

2011-2017 (Feb) **Associate Professor in Animal Nutrition and Feeding**
University of Milan, via Festa del Perdono 31, 20100 Milan Italy

2002-2011 **Researcher and Lecturer in Animal Nutrition and Feeding**
University of Milan, via Festa del Perdono 31, 20100 Milan Italy

EDUCATION AND TRAINING

9 February 2001 PhD EQF 8
Agricultural faculty of the University of Molise, Italy.
Thesis: Innovation technology in animal nutrition.

Oct.1996-Oct.1997 Research internship abroad at the ID-DLO, Institute for Animal Science and Health – Department Ruminant Nutrition, Wageningen University, Lelystad – The Netherlands.. working on intermediary metabolism in dairy ruminants. EQF 8

4 March 1996 MSc. Degree, obtained MSc. Degree in Animal Science, marks 110/110 EQF 7
cum laude at Veterinary Faculty of the University of Milan.

May 2011 Course Evaluation of Science and Innovation Policies, Manchester Institute of Innovation Research, Manchester Business School, University of Manchester UK. EQF 8

January 2010 Short Term Scientific Mission at the Department of Statistical Science University college of London, London, United Kingdom. Topic: data processing in feed safety EQF 8

WORK ACTIVITIES

Editorial activity

Member of the following **Editorial Board** : From 2015 Section Editor for **Animal** (Elsevier), the International Journal of Animal Biosciences- ISSN: 1751-7311 (Section: Product Quality, Human Health and Well-Being); From 2021 **Frontiers in Animal Science** (ISSN: 2673-6225); From 2019 **Journal of Animal and Feed Sciences** (ISSN:1230-1388); From 2018 **Dairy** (ISSN 2624-862X);From 2011 **Food and Feed Research** (ISSN: 2217-5660) Editorial Board

Invited Speaker, Organisation of Scientific Meetings/Conferences and Member of Scientific Committees

INVITED SPEAKER at more than 25 international scientific events. Selected invitations from the last three years include:

- **1st EAAP Feed Ingredients Academy** 6-7 may 2026, Milan Italy
- **FAO Global Forum for Animal Feed and Feed Regulators**, 2–3 October 2025, FAO, Rome (Italy) – Host of the World Café on *FAO Reference Centres for Animal Feed*.
- **ADSA Annual Meeting**, 2025, Louisville, KY (USA) – *Alternative foodstuffs in dairy ruminant nutrition: basic concepts, recent issues, and future challenges*.
- **BOKU Symposium Tierernährung**, 25 February 2025, Vienna (Austria) – *The Future of Protein Supply in Animal Nutrition*.
- **Spring Conference in Animal Nutrition**, 23 May 2024, ETH Zurich / Vetsuisse Faculty (Switzerland).

- **International Conference on Food Waste to Animal Feed**, 26–28 March 2024, University of Minnesota (USA).
- **7th International Feed Regulators Meeting (IFRM)**, 29–30 January 2024, Atlanta (USA).
- **FAO Global Forum for Animal Feed and Feed Regulators**, 15 November 2023, FAO, Rome (Italy).
- **69th International Congress of Meat Science and Technology (ICOMST)**, 20–25 August 2023, Padova (Italy).
- **All About Feed Forum**, 7–8 June 2023, Wageningen (The Netherlands).

ORGANISATION OF SCIENTIFIC MEETINGS:

2026- Vice-President, EAAP (European Federation of Animal Science) Nutrition Commission

2019-2025 President, EAAP Nutrition Commission Responsible for the proposal, coordination, and organization of nutrition sessions.

President, Scientific Committee

2025 International Symposium on Energy and Protein Nutrition (ISEP), Rostock, Germany

2023 Feed 2023 – 8th International Feed Conference: Present and Future Challenges, Milan, Italy

2022 International Symposium on Energy and Protein Nutrition (ISEP), Granada, Spain

2013 COST FFH Final Conference “Healthy Food from Healthy Animals”, Milan, Italy

2012 XV International Feed Technology Symposium “Feed-to-Food”, Novi Sad, Serbia

ADVISORY BOARDS MEMBER

Project ROTATES – “Minor Root and Tuber Crops Fostering Agrobiodiversity and Ecosystem Services” (since 2025; appointed by CIRAD)

External Advisory Committee Member, Instituto de Ganadería de Montaña (IGM), Spain (since 2025)

Member, Scientific Committee, ASSALZOO – Italian Feed Manufacturers’ Association (since 2024)

Member, Scientific Committee, Istituto Zooprofilattico Sperimentale della Lombardia e dell’Emilia Romagna “Bruno Ubertini” (since 2022)

NOSHAN European Project (2013–2015) KBBE.2012.2.3-01 – Sustainable Production of Functional and Safe Feed from Food Waste

SCIENTIFIC COMMITTEES’ MEMBER

9th International Feed Conference: Present and Future Challenges, Novi Sad, Serbia, 2025

FoodTech 2024 Congress, Novi Sad, Serbia, 2024

EAAP Annual Meeting, Florence, Italy, 2024

7th International Feed Conference: Present and Future Challenges, Vienna, Austria, 2021

5th International Feed Conference: Present and Future Challenges, Geel, Belgium, 2016

FoodTech Congress – XVII International Symposium “Feed Technology”, Novi Sad, Serbia, 2016

FoodTech Congress – XVI International Symposium “Feed Technology”, Novi Sad, Serbia, 2014

“Feed Quality and Safety: Technology, Traceability and Labeling”, Gijón, Spain, 2011

2nd International Feed for Health Conference, Tromsø, Norway, 2010

Feed for Health – 1st International Conference, Milan, Italy, 2009

3rd International Feed Safety Conference “Methods and Challenges”, Wageningen, Netherlands, 2009

ACADEMIC LEADERSHIP AND INSTITUTIONAL ROLES

- **Rector’s Delegate for PhD Programs** (since 2024; appointed by Rector’s Decree)
- **Director, Doctoral School, University of Milan** (2023–2026; appointed by Rector’s Decree)
- **President**, Coordinamento Dottorale della Statale di Milano (2022–2023)
- **Coordinator**, PhD Programme in Nutritional Sciences, University of Milan (2017–2023)
- **Member, Academic Senate**, University of Milan (2015–2017)

2019-Now Expert Reviewer for Prima, The Partnership for Research And Innovation in the Mediterranean Area.

Grants Research Projects (Last 5 Years)
 Team Leader (UNIMI), HORIZON-CL6-2024-FARM2FORK: “Nourishing Europe’s Future through Regenerative Animal Nutrition” (2025–2029)
 Principal Investigator (PI), ABILE – Alimentazione sostenibile per bovini da latte: innovazione ed efficienza in Lombardia, Regione Lombardia (2025–2026)
 Principal Investigator (PI), 4EU+ Microcredentials: “Biodiversity and Sustainability in the Agro-Food System” (2022–2026)
 Participant, SPOKE 8 – “New Models of Circular Economy in Agriculture through the Valorisation and Recycling of Waste” (PNRR) (2021–2026)
 Principal Investigator (PI), EFSA OC/EFSA/GMO/2021/05: Feed Classification and Feed Consumption Database (2022–2024)
 Participant, H2020 – CRPDIVA: Climate Resilient Orphan Crops for Increased Diversity in Agriculture (Coordinator: Ghent University) (2021–2024)
 Principal Investigator (PI), Italy–Serbia Project of Great Relevance: “Sustainable Animal Nutrition (SAN)” (funded by the Italian Ministry of Foreign Affairs and International Cooperation) (2019–2022)
 Work Package Leader, ASSO – Alimentazione Suina Sostenibile, Regione Lombardia (2020–2023)
 Principal Investigator (PI), SUSFEED: “Sustainable Feed Design Applying Circular Economy Principles: The Case of Former Food Products in Pig Nutrition” (Fondazione Cariplo) (2019–2022)
 Work Package Leader, Ricerca Corrente – Ministero della Salute: “Determinazione delle microplastiche nei mangimi contenenti ex prodotti alimentari” (2022–2023)
 Principal Investigator (PI), INNOKEP-FEED: innovative know-how exchange programme in animal nutrition and feed technology (Central European Initiative – CEI) (2020–2022)

RESEARCH EVALUATOR

Scientific Evaluation and Advisory Roles

- **Expert Evaluator**, European Commission – Research Executive Agency (REA) (since 2018)
 Assessment of research projects, including monitoring (Art. 22.1.1) and review activities (Art. 22.1.2)
- **Expert**, PRIMA – Partnership for Research and Innovation in the Mediterranean Area (since 2019)
- **Expert Reviewer** for international funding agencies, including:
 1. Fundação para a Ciência e a Tecnologia (FCT), Portugal
 2. Slovenian Research and Innovation Agency (ARIS), Slovenia
 3. National Science centre PL
 4. COST – European Cooperation in Science and Technology
 5. Fonds de recherche du Québec - Nature et technologies (Canada)

PERSONAL SKILLS

Job-related skills

The research activity developed by Prof. Luciano Pinotti during his university career has concerned various aspects of animal nutrition and feeding, especially with in-depth studies concerning the impact of certain nutrients on both intermediate metabolism and the quality of products and the health of animals in livestock production. Further lines of research have concerned the quality and safety of feed with reference to innovative and alternative ingredients such as ex-foods, insects, algae and others. Currently supervisor or co-supervisor of 3 PhD students and 2 Early stage researcher (Matteo Ottoboni <https://orcid.org/0000-0003-0123-3888>; Alice Luciano <https://orcid.org/0000-0003-0600-9498>; Michele Manoni <https://orcid.org/0000-0002-9785-4031>);
